The Venue

Where the Hill Country says "I do"

Say your vows where the Hill Country opens wide. Antelope Creek Farms is a real working cattle ranch in Lometa, Texas — a private, unhurried setting for weddings and gatherings, with two barns, a waterfall, wide green lawns, and two guest houses — one to get ready in, one to stay the night.

The Setting

Two ceremony and reception spaces anchor the property — the rustic **Red Barn** and the **Rock Barn** — alongside a waterfall ceremony spot and a lush lawn for cocktail hour and lawn games. Outdoor lighting sets the scene as the evening comes on.

The Stay

Get ready in the **Bride's Suite** at the Faubion Guest House and the **Groom's Quarters** at the 7W Guest House. A catering kitchen, on-site parking, and an on-site venue manager keep the day running smoothly from start to finish.
